Description

A fine and impressive pair of antique 1.20 carat Dutch cut diamond and 15ct yellow gold, platinum and silver set drop earrings; part of our diverse diamond jewellery and estate jewelry collections. These stunning antique diamond earrings have been crafted in platinum with 15ct yellow gold fittings and a silver setting. These earrings each feature an impressive Dutch cut diamond to the claw set articulated terminal. The feature stones suspend from a plain platinum linear pale, incorporating a claw set mine cut diamond to the apex, completing the design. These diamond earrings, for pierced ears, secure to the reverse with a post and hinged latch style fastening. These earrings have been independently tested using state of the art technology (Niton XL2 Analyzer) and verified as 15 carat gold, platinum and silver. The impressive Dutch cut diamond earrings are supplied with an IDGL diamond grading report card. Images do not always reflect the true colour and brilliance of gemstones and diamonds. The video however provides a truer representation of the actual colour and showcases each stone. Condition: These impressive Edwardian earrings are excellent quality, set with...
