Description

A stunning, fine and impressive pair of antique 3.48 carat diamond and platinum stud earrings; part of our diverse antique diamond jewellery collections. These stunning, fine and impressive diamond stud earrings have been crafted in platinum. The later platinum four-claw settings each display a 1.76ct and 1.72ct Old European round cut diamond. These earrings for pierced ears secure to the reverse of the settings with a platinum screw back fastening. These Edwardian diamond stud earrings have been independently tested using state of the art technology (Niton XL2 Analyzer) and verified as platinum. This impressive pair of diamond earrings is supplied with two IDGL diamond grading report certificates. Such a matching pair of antique diamonds in this very high colour and clarity grading are becoming increasingly difficult to locate. Images do not always reflect the true colour and brilliance of gemstones and diamonds. The video however provides a truer representation of the actual colour and showcases each stone. Condition These stunning Edwardian diamond stud earrings are excellent quality, set with stunning diamonds displaying a fine white colour, brilliance and p...
