Description

A stunning, fine and impressive antique 2.10 carat sapphire and 2.42 carat diamond, palladium jewellery set; part of our diverse antique sapphire jewellery collections. This stunning, fine and impressive antique jewellery set consists of a ring and a pair of sapphire drop earrings; each crafted in palladium. Each article of this antique jewellery suite is embellished with an impressive lozenge shaped setting, incorporating an impressive collet set lozenge cut sapphire to the centre. Each lozenge-shaped setting is further ornamented with two paralleling scalloped borders comprised of forty-four pavé set eight-cut diamonds. The feature earring settings each suspend from an individually collet set eight-cut diamond and fan style motif to the apex embellished with five pavé set diamonds, completing the design. These sapphire and diamond earrings for pierced ears secure to the reverse with a hinged latch fastening. The pierced decorated, elevated antique ring shoulders blend with the setting and melds seamlessly with the plain ring shank. This stunning jewellery suite has been independently tested using state of the art technology (Niton XL2 Analyzer) and verified as p...
