Description

A stunning, fine and impressive pair of 6.18 carat diamond, platinum, and 9 carat white gold set earrings; part of our diverse collection of antique diamond earrings. These stunning, fine and impressive antique diamond earrings have been crafted in platinum with 9ct white gold fittings. Each earring is ornamented with five stunning individually claw set transitional modern brilliant round cut diamonds in a curvilinear formation to the upper portion. The lower segment of each earring is embellished with eight baguette cut diamonds, channel set in two rows, collared with an impressive crescent-shaped design incorporating five pavé set transitional modern brilliant round cut diamonds, completing the design. These impressive antique 1930s earrings for pierced ears secure to the reverse with a 9ct white gold post and hinged latch style fastening. The earrings have been independently tested using state of the art technology (Niton XL2 Analyzer) and verified as platinum and 9 carat gold. This stunning earrings are supplied with six IDGL diamond grading report certificates for the feature stones, in addition to an IDGL diamond grading report card for the supporting stones. ...
