

SA1175860

Antique miniature Masons Hydra jug

Price

GBP 105

| USD \$143 | EUR 123

Item Reference: SA1175860

Date of manufacture: Georgian

Description

This delightful little jug is approx 212 years old Early Georgian period of history It has the primary imprinted backstamp for Masons patent ironstone. The circular impressed circle patent ironstone backstamp was used between 1813-1820 The jug is in absolutely pristine condition, even the high temperature glaze finish to rims and the serpent head and tail is still intact. Masons manufactured in Hanley , Northstaffordshire England The jug is painted in the pattern known as "Japan" This is an outstanding example and would make an item to the listed. Set of four hydra jugs of slightly later date but the same pattern.

Internal Ref: Big/jg
