Description

Georg Jensen Danish Silver ring with facet cut rock crystal. "Savannah" designed by Vivianna Torun Bulow Hube in the 1960s. This superb ring measures 2.2cm x 1.5cm at the front. Ring size L - 51. Weight 4.5g. The facet cut rock crystal catches the light beautifully and the shape of the shank makes it very easy to wear. Excellent condition. Comes with Georg Jensen box.
