Description

A charming Victorian mahogany four-door sideboard, dating to around 1860. The piece is beautifully constructed in rich mahogany and comes in two sections for ease of movement. The inverted breakfront top features three frieze drawers, and sits above four arched panel doors, opening to ample storage space within. There are 3 slides in the left hand cupboard, a single shelf in the centre cupboard, and a shelf above a deep cellarette drawer in the right hand cupboard. The top has a gently rounded edge, and the sideboard retains a good colour throughout. L 187cm (73.75") D 63cm (25") H 90cm (35.5")
