Description

A large Victorian tilt-top centre table finished with a richly figured, bookmatched burr walnut oval top with fine floral marquetry inlay and thumb-moulded edge. Set on a well-carved solid walnut clustered pedestal base with turned column supports and a central finial, raised on four bold cabriole legs with acanthus carving and original brass and ceramic castors. The combination of the figured burr walnut inlaid top and heavily carved, imposing base gives the piece real presence, ideal as an impressive hall or drawing room centre table or equally suitable for four-person dining. Presented in very good antique condition with a warm, even surface and light wear consistent with age. The tilt action operates smoothly, now secured with a later pin catch. Structurally sound, clean and ready to place in the home. English, circa 1860. H: 73.5 W: 130.5 D: 99 cm Tilt position - H: 154 W: 99 D: 79 cm
