Description

A charming Edwardian mahogany tray of kidney form, beautifully inlaid and retaining its original brass handles. The tray's finely shaped outline is bordered with decorative banding surrounding a central marquetry panel featuring a neoclassical-style urn motif. Crafted from richly grained mahogany with a warm, mellow patina, this piece reflects the elegance and refinement of late 19th- to early 20th-century English design. The underside is fitted with felt pads for stability when placed on a table or sideboard. Perfect as a decorative serving tray or as an accent piece on a side table, this tray adds a touch of period charm and sophistication to any interior. Condition: Excellent antique condition with light wear consistent with age, a beautiful surface sheen, and original brass handles intact. Dimensions: Height 7 cm (2.76 in) Width 65.5 cm (25.79 in) Depth 35 cm (13.78 in) Date: Circa 1900 Material: Mahogany with marquetry and brass fittings
