Dimensions

Height = 65 cm (25.6")

Width = 28 cm (11.0")

Description

Circa 1890. A pair of George III style mahogany and inlaid and silver mounted urn shaped cutlery stands, each surmounted by a stylish finial, the lids with chequered chevron inlay with curvaceous concave sections, the deep shaped lid with a central upright on the inside, open to a stepped and fitted interior with four tiers, fitted out for different shapes of cutlery, the front with a double escutcheon, in white metal or silver, the tapering body with similar inlay as the top, with a large circular foot resting on a square inlaid platform base, all supported on four squat ogee bracket feet. Fantastic colour and patination and great style. 65cm High when closed, 28cm at widest point

Internal Ref:
34968
