Description

A smart and extremely well made pair of antique Georgian style burr walnut chests of drawers. They were made in England, they date from around the 1930's. The quality is fantastic and they are a very useful size. They are fairly tall and slim, meaning they take up very little room and offer plenty of storage space. The walnut has stunning grain patterns with a gorgeous colour tone and patina, the drawers have brass handles and the chests stand on cabriole legs with shell carving at the knees. We have had them stripped and re-polished, the condition is excellent for their age. Width – 22 inches , 56 cm Depth – 16 inches , 41 cm Height – 41 inches , 105 cm
