Item Reference: SA1176253

Date of manufacture: 1890

Dimensions

Height = 315 cm (124.0")

Width = 215 cm (84.6")

Description

We are pleased to offer this Barharlu Carpet South West Persia circa 1890 in excellent original condition and even pile. These Carpets are quite scarce and this is a nicely drawn example with soft Blue and Green dyes. The vibrant colours are still evident showing the Central Floral design and detailed border. A nice touch is the original end finishes. We are based in Buckingham and The Carpet can be viewed by appointment only or a Home visit can be arranged.

Internal Ref: BAHARLU 2
