Description

Absolutely delightful Italian centre table with a scagliola top. Scagliola is a decorative technique that uses a type of plaster to imitate expensive materials like marble. Great eye catching on trend piece that would add oomph and energy to any interior. The top is decorated with intricate classical motifs – scrolling patterns, stylised foliage, and cartouches in tones of ochre, terracotta, black and green. The central section resembles inlaid marble, giving it an opulent and stately appearance. The base is equally ornate: three carved and painted legs with acanthus scroll details and fluted shafts, finished in a distressed gilt and whitewash effect. Offered in great shape ready for home use right away. We ship to every corner of the planet - please get in touch for a shipping quote. Dimensions in inches (CM): Width x Depth x Height 39.5 (100) x 39.5 (100) x 31 (79).
