Description

A very fine early Worcester porcelain pedestal sauce boat, with relief moulded decoration of scrolls and arabesque framed reserves. Painted with the Triangular Platform pattern. Inside the base is a large oriental floral spray with butterfly and similar detailed decoration runs inside the rim including a further butterfly and a small diaper patterned panel in front of the handle. Unmarked, c.1755. Reference: Worcester Blue & White Porcelain 1751-1790, Branyan, French & Sandon, section I.B.19, noted as "uncommon". It measures 19.5cm (7 5/8") long, 8.5cm (3 3/8") wide and 9.8cm (3 7/8") high. Condition is excellent: there is a nick to the outside of the rim and a very fine short hairline adjacent to it which can barely be seen except under close inspection, see the final photos. No other damage, repair or restoration and very minor handling wear. The painting is lovely and crisp with no running.
