Description

Here's a very nice antique pine wardrobe featuring a curved crown at the top with a decorative carving in the centre. The two doors have beautifully carved panels, adding plenty of character and charm. The wardrobe is panelled on the sides and stands on its original bun feet at the front, with square blocks at the back — a classic design feature of its period. It's in lovely condition for its age, dating from 1924 (as seen in the carving at the top). Inside, there's currently a fitted shelf. You can either keep the shelf and add a hanging rail beneath it or remove the shelf and place the rail higher up to make use of the full hanging height. With an internal depth of 21", it's ideal for hanging coats, suits, and other garments. The wardrobe fully dismantles for delivery, making it easy to move up any stairway. Delivery and assembly can be arranged — just provide your postcode for a quote. Available for £900 as it is, or £997 if you'd like it waxed. Dimensions: height 83.5", width 54.5", depth 23.5", internal depth 21" (approximately 212 cm x 138 cm x 60 cm, internal depth 53 cm).
