Description

Here's a tall, slim, and spacious pine cupboard with a single door that opens from left to right and a drawer at the bottom. It features panelled sides and a matching panelled door, topped with a nicely shaped cornice and decorative corner detailing. The cupboard is in good condition and fully dismantles for delivery, making it easy to move and reassemble in any home. Inside, it currently has four shelves supported by small metal brackets, though wooden supports can be fitted instead if you prefer. It could also be adapted for use as a children's wardrobe — with an internal depth of 17", it's perfectly suited for hanging children's clothes or shirts. A hanging rail can be installed upon request. There's a very slight difference in height — around half a centimetre taller on the right-hand side — most likely due to the cornice, which will be adjusted. Available for £900 as it is, or £997 if you'd like it waxed. Dimensions: height 77", width 43", depth 21", internal depth 17" (approximately 196 cm x 109 cm x 53 cm, internal depth 43 cm).
