Description

Here's a large three-drawer antique pine chest of drawers, dating from around the 1920s. Each drawer is fitted with a small white porcelain knob and retains its original key plate. The piece is in very nice condition for its age. It features subtle half-columns running vertically on either side of the lower two drawers and stands on traditional bun feet at the front with square blocks at the back — a classic design detail of the period. All drawers run smoothly, and the chest is currently in bare wood, ready to be wax finished if desired. Available for £550 as it is, or £627 if you'd like it waxed. Dimensions: height 36.5", width 50", depth 23.5" (approximately 93 cm x 127 cm x 60 cm).
