Description

Antique ostrich leather weekend case in superb original condition. It's 50 cm wide so a very adaptable size, and it could be used as a briefcase or simply as a small and unique suitcase. It is lined in a brown silk material and has various pockets for vanity items. The handle is good and strong and the solid brass locks spring exactly as they should. It's a beautiful nut brown colour, and the leather is in such good condition with hardly a mark. Very unusual case and beautifully made, it's a fine example of craftsmanship. Free UK postage
