Description

Victorian inlaid walnut box ideal for documents or for use on a dressing table with its pretty patterned inlay of many different woods. It has a mother of pearl cartouche to the top and a similar escutcheon. There is evidence of historic minor restoration to a tiny area of the upper rear, mentioned for complete accuracy. When it arrived this box had no interior and so we have lined it in beautiful burgundy velvet and it is now an excellent box, mint condition and absolutely ready to use. It comes with working key, and is an all round super box. Free UK postage
