Description

An outstanding antique leather barrel back wing armchair. This was made in England, it dates from the early twentieth century, likely around the 1930's. It is of superb quality, this is of generous proportions and is extremely comfortable. The design is beautiful, with a wonderful curved barrel shaped back, the deep buttoned leather frame stand on tapered mahogany legs. The colour of the leather is beautiful, we have had the leather revived by our leather restorer, the legs have also been re-polished. The condition is excellent for its age, with just some minor surface wear here and there and some light distressing to the leather on the seat cushion, commensurate for age. Width – 34 inches , 86 cm Depth – 31 inches , 79 cm Height – 44 inches , 112 cm Seat height – 18 inches , 46 cm
