Description

A stunning, fine and impressive antique 1.57 carat Basaltic sapphire and 1.20 carat diamond, platinum pendant - boxed; part of our diverse antique sapphire jewellery and estate jewelry collections. This stunning, fine and impressive antique pendant has been crafted in platinum. The drop style pendant displays a feature 1.40ct pear cut blue Basaltic sapphire, claw set to the nadir of the design, encompassed with sixteen pavé set diamonds within a scalloped border. The pear-shaped terminal of this antique pendant suspends from an articulated linear drop, ornamented with collet and pavé set diamonds, in a combination of Old European, mine and eight cuts. The apex of the linear drop features an impressive 0.17ct square faceted cut sapphire, above a stylised three leaf design ornamented with six pavé set diamonds. The necklace setting emanates further to either side of the apex sapphire, reflecting the same design as the linear drop and conjoining with the platinum chain, securing to the reverse with a conventional spring-loaded bolt ring fastening. This stunning antique pear-shaped sapphire pendant has been independently tested using state of the art technology (Niton X...
