Description

This solid oak French country table blends simple elegance with well-proportioned design. It's versatile enough to work as a kitchen or dining table for up to six, a space for food prep or drinks, or even as a console or side table in a range of settings. The table shows consistent signs of age and wear from regular use, which add to its authentic charm. Buyers should see these marks as a genuine part of its history. Because of the table's handcrafted construction and style, slight variations in dimensions may occur from one side to another. If you require precise measurements, please contact us. Dimensions: 167cm x 62cm x 76/78cm
