Description

A pair of early 1900s matching Ushak Runners offered in excellent condition. Rare to find Runners of this age with such thick, soft even pile throughout. The colours are still very vibrant with Salmon Flowers and leaves on a lovely inky blue background. Easy to see how these sparse designs and colours are so popular with Homes and interior designers alike. Width of runners are the same, with the shorter by about 4cm. They grew up as a pair, so ideally would love to sell them together.
