Description

A lovely pine chest of drawers dating from late 19th / early 20th Century. The pine has a nice warm colour and a smooth waxed finish. It is a good large size with two short over three long drawers. Each drawer has lovely brass handles and it stands on bun feet with an attractive shaped apron. It is in very good condition for its age. Each drawer is generally clean and tidy and opens and closes smoothly. There are some signs of age and use with light surface marks, minor knocks and a few old splits and repairs but nothing detrimental or untoward. It has been cleaned and waxed and is ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Nationwide delivery available through our network of reliable couriers.
