Description

Heals of London 1920's Low Oak Chest of Drawers – Labelled A lovely, original low quality oak chest of drawers by Heals of London around 1920. In excellent, clean, original condition and in the original finish. Ideal to use as a television stand, (so we have been told by past clients who have purchased this model). The two long drawers run smoothly and have the original oak oblong handles, the Heals chest stands on square legs and has well panelled sides. The Heals makers label is inset into a drawer. Would work well as a bedside chest too. Dimensions Height: 56cm (22.22") Width: 76cm (30.16") Depth: 46cm (18.25")
