Description

This late 19th century Spanish walnut table is a stunning piece of antique furniture. It is crafted from beautiful solid walnut with a stylish wrought iron frame, adding a touch of elegance. The table has been bleached and has a lime effect to give it a more modern look. It would make a great console or side table. It's very sturdy with some old woodworm and knocks to the piece which gives it a great antiquated look. 119cm wide x 79cm deep x 79cm high
