Description

A refined matched pair of Japanese export vases by Tashiro (??), Yokohama, c. 1920–30s. The elegant ovoid forms are worked in ivory-toned earthenware with a fine, even craquelure and enriched with overglaze enamels and superb gilding. Midnight-blue bands divide two alternating scenes: a mountainous landscape with pagodas among pines, and a lavish chrysanthemum garden with butterflies. Painting is crisp and confident; gilding at rims, shoulders and footings is immaculate with a soft kirabiki sheen. Bases bear the clear red TASHIRO cartouche. Measurements • Height 13 cm / 5.12" • Diameter 7.1 cm / 2.80" • Weight c. 145 g each Condition Outstanding: no chips, cracks or restorations under UV; natural, stable craquelure; enamels and gilding fresh and unworn. Shipping & Packaging Fully tracked and insured delivery. Shipping cost includes professional packaging, careful handling and secure postage. Carefully packed using recycled materials where possible. Please study all photographs as they form part of the description. Questions are welcome.
