## Description

A smart and very well made antique Georgian style mahogany cabinet on legs. This was made in England, it dates from around the 1930's. It is of superb quality and has a very useful design, with a beautiful shape on the panelled door. It would be perfect as a bedside cabinet or as a side / lamp table in a lounge setting. This is nicely finished on all sides including the back, so it can be used as a free standing item. There is a single solid brass handle and storage space inside. We have had this re-polished, it is in excellent condition for its age, with just some minor wear here and there. Width – 14.5 inches , 37 cm Depth – 14.5 inches , 37 cm Height – 30 inches , 76 cm
