Description

A lovely pair of antique William IV mahogany hall chairs. They were made in England, they date from the 1830-1840 period. The quality is outstanding, they are beautifully constructed from solid mahogany with a gorgeous design and wonderful carving. They are a great size and very handy for use as hall chairs or side chairs around the home. We have had them recently re-polished, the condition is excellent for their age. They have a gorgeous patina and colour tone, there are just some small marks and indentations here and there beneath the polish, commensurate for age.
