Description

A smart and extremely well made pair of antique mahogany military campaign chest of drawers. They were made in England, they date from around the 1930's. The quality is excellent, they are a great size to be used as decent sized bedside chests, or as side chests / tables around the home; they are very functional. The mahogany has a lovely colour tone and patina, they have high quality brass mounts throughout. There are also tray slide shelves that pull out from beneath the tops, the backs are nicely polished so they can be used as free standing items. We have had them recently re-polished, the condition is excellent for their age. There are a few very small marks and indentations here and there beneath the polish, commensurate for age. Width - 25 inches , 63 cm Depth - 13 inches , 33 cm Height - 22 inches , 56 cm
