Description

Here we have a very special piece — a fine mid, possibly early Victorian pine chest of drawers. Tall, fairly slim, and generously proportioned, it features six drawers, combining elegant design with excellent practicality. The chest is in remarkable condition for its age and retains all its original knobs. Each drawer slides smoothly and has hardwood sides, likely mahogany. The drawer bases are lined with their original blue paper liners, adding a lovely touch of period charm. These can either be removed if preferred or sealed to help preserve them. The locks currently have no keys, though a suitable replacement could likely be sourced if required. Available for £790 as it is, or £867 if you'd like it waxed. Dimensions: height 57", width 37", depth 18" (approximately 145 cm x 94 cm x 46 cm).
