Date of manufacture: 1940

Description

A beautifully rare Norwegian solid sterling silver dish or bowl. It is hallmarked with the Norwegian 925s standard mark along with the makers mark of Aksel Holmsen from Sandefjord. The company was founded in 1932. I would date it to c1940. It has superbly designed with the bowl being guilloché enamelled in a sky blue colour. It is in superb condition being free from splits, and repairs. The enamel is perfect. It measures over 2.25 inches (6.2cm) across and weighs 20 grams. A beautifully made piece.
