Description

A smart and beautifully designed pair of antique mahogany side tables. They were made in England, they date from the 1900-1920 period. The quality is superb, they are a very useful size and look great from all angles. The tops have serpentine shaped edges, they stand on stretchered bases and are nicely polished on all sides. The mahogany has acquired a gorgeous patina and colour tone. We have had them recently re-polished, the condition is excellent for their age. There is just some very minor historical wear here and there beneath the polish, commensurate for age. Width – 20 inches , 51 cm Depth – 15 inches , 38 cm Height – 18 inches , 46 cm
