Description

Here's a charming French pine cupboard, a well-proportioned piece featuring two small drawers at the top and a pair of cupboard doors below. It showcases the classic French style with shallow drawers, panelled sides, and simple, elegant lines. The cupboard is in very nice condition for its age, likely dating from the 1920s, and is currently in bare wood. The doors have working catches — a small spring catch beneath the left-hand door and a neat latch on the right. It originally would have had a lock, and one could be refitted if desired. Inside, there's a single shelf providing useful storage space. Both drawers slide smoothly, and while the handles may not be original, they complement the piece beautifully. Available for £535 as it is, or £587 if you'd like it waxed. Dimensions: height 40", width 37", depth 18.5" (approximately 102 cm x 94 cm x 47 cm).
