Description

A charming antique Georgian period mahogany side table. This was made in England, it dates from around 1800-1820 period. It is a lovely size and is full of character. The mahogany has a gorgeous colour tone and a lovely patina, with some small surface marks here and there beneath the polish. There is a single drawer with brass ring pull handles on the front, and this has a nicely polished back, so it can be used as a free standing item. We have had this re-polished and revived, it is in good overall condition and structurally sound, while retaining the original patina. There is some wear and patina to the brass handles as well. Width – 19 inches , 48 cm Depth – 13 inches , 33 cm Height – 28.5 inches , 72 cm
