Description

Here's a lovely old pine sleigh bed with gracefully shaped sides and plenty of traditional charm. It appears to have been originally painted but has since been stripped and wax finished. The finish is in good condition, though I can refresh and re-wax it for you if preferred. At present, there are no slats included, but these can easily be provided if required. Available for £300 as it is (without slats), or £397 if you'd like it re-waxed and supplied with new slats. The bed separates into four sections for easy delivery and assembly. Dimensions: height 39.5" at the head, width 42", length 77.5" (mattress space 189 cm x 100 cm). The mattress doesn't need to be that exact size — it can be slightly smaller or fit snugly. If you need help sourcing a custom-sized mattress, we can recommend a reliable supplier. Height : 100 cm at the head, width is 107 cm, length is 197 cm
