Description

A superb Imari charger in excellent condition, showcasing traditional Japanese porcelain at its finest. At the centre, a floral arrangement in a vase is framed by intricate botanical and avian motifs, including cranes—symbols of longevity and good fortune. The bold palette of cobalt blue, iron red, gold, and white is classic Imari, while the rim's symmetrical patterns echo traditional textile and lacquer designs. Decorative and symbolic, this striking piece reflects Japan's reverence for seasonal beauty and balanced design.
