Description

A rare Kyoto Satsuma miniature on three petal-shaped feet, executed in earthenware with overglaze enamels, rich kinrande gold and white enamel details. The frieze shows the full Shichifukujin procession with cranes for longevity; the faces are handled as true portraits with lifelike modelling. A brocade lattice-and-rosette collar at the neck is the classic Kyoto flourish tied to Jissei × Yoshisada within the Choshuzan workshop. Works by this partnership are recorded in museum collections and at major auctions.
