Description

A stunning, fine and impressive Art Deco 3.83 carat diamond and platinum brooch; part of our diverse antique Art Deco jewellery and estate jewelry collections. This stunning, fine and impressive diamond brooch has been crafted in platinum. The pierced decorated, Art Deco oval-shaped design is ornamented with a 0.23ct, 0.22ct and 0.18ct feature Old European round cut diamond, individually collet set in a horizontal linear arrangement. The feature formation bears a further collet set diamond to the terminals, all encompassed with a pierced decorated Art Deco setting incorporating forty-eight diamonds, in a combination of Dutch and eight cuts. The symmetrical, stepped millegrain border of the brooch is further ornamented with forty-four diamonds, completing the design. The stunning antique brooch secures to the reverse with a hinged pin and sheath style fastening. This 1920s diamond brooch has been independently tested using state of the art technology (Niton XL2 Analyzer) and verified as platinum. This impressive antique diamond brooch is supplied with three IDGL diamond grading report certificates for the feature stones, in addition to an IDGL diamond grading report...
