Description

A good example of a large antique copper stock pot dating from the mid 19th century. It is a good quality heavy piece made from thick gauge copper and it comes with its original lid which can also be used as a skillet. It makes a lovely decorative object as well as being a good size for a coal/kindling bucket. It is in good original condition and displays beautifully. There are no damages, splits or holes. There are some minor dinks and dents and signs of age and use but nothing detrimental. It has been lightly cleaned and polished and is ready for use. Approximate Measurements : Diameter : 12 1/4" / 31cm Height : 13" / 33cm Width inc handles : 17" / 43cm. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK Delivery £15
