Description

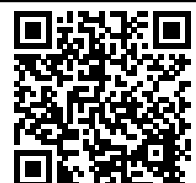

A beautiful and very nicely proportioned antique Edwardian mahogany display cabinet. This was made in England, it dates from the 1900-1910 period. The quality is superb, this is a very useful and elegant size. The interior is lined in burgundy velvet, there are glass panels on the door, sides and also on the top. The mahogany has a wonderful colour tone and patina, this stands on tapered legs terminating in spade feet. We have had this revived and re-polished, the condition is excellent for its age.
