Description

A white and yellow gold ring with 21 round brilliant cut pave set natural diamonds. Aztec pattern and the diamonds really sparkle brightly and are very clear. Beautifully pave set and so a very comfortable ring to wear on a daily basis, sits nicely on your finger and does not twist. Hallmarked Sheffield 375 and 9k for 9kt gold. Weight 4.62g. Total carat weight 0.45 ct. Ring size M. Valued at £1,450 and the diamonds graded and reported on by the World Gemological Institute. The WGI valuation and report will be supplied with the ring. Our price includes an attractive presentation ring box and free fully insured and tracked guaranteed next day delivery.
