Description

A stylish Victorian mahogany Howard and Sons desk or writing table. Having a top with a raised back above a moulded edge and a single frieze drawer. Raised on cylindrical turned legs with brass castors. Stamped 'Howard and Sons, Berners St' to the drawer. The condition is superb with only very light age-related wear and tear. We have noted very light sun fading to the left-hand drawer knob. Overall, a beautifully made table from one of the most renowned 19th-century London cabinet makers.
