Date of manufacture: 1900

Dimensions

Height = 309 cm (121.7")

Width = 261 cm (102.8")

Description

Lovely rich colours and in an unusual medium size. Most antique carpets come either smaller or bigger and it is hard to find these 'in between' sizes, especially with these great colours. In worn condition, showing wear but still strong and useable for the floor. Underlay recommended. 8'6" x 10'1"
