Description

A good quality bentwood hat and coat stand dating from the early 20th century. It is a good large size and an unusual half moon shape. It stands on 3 splayed feet and the top part has five large hanging hooks. It is in good condition for its age and has a lovely rich patina. There are signs of age and use, some small knocks and marks and some small splits but nothing detrimental and it displays well. There are some minor signs of worm in places which has all been treated as a precaution. It is strong and sturdy and is ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Nationwide delivery available through our network of reliable couriers.
