Description

This cupboard is in good condition. We have professionally stripped and restored it ready to paint or wax. If you would like this waxed in a lovely antique brown bri wax please email or telephone for a quote. The cupboard would look well in an old or modern property in any unfitted kitchen amongst similar antique pine furniture for storage of many items. This is very heavy and so I will require a hand off the van with it into your hallway. The cupboard stands on square back legs and round turned front bun feet supporting the main section. There are two large doors. Each door has a small square bottom panel and larger top panel. There is a lovely metal vent to the top panels. There are fluted columns and carved corbles to the sides. There is a key to lock the door. The top has a standard graduated cornice. Behind the door to the left there are four large drawers. The drawers have metal cup handles, pine lined and have dovetail joints. To the right side there are shelves for storage and the top has a standard graduated cornice. Please buy with confidence this is a stunning cupboard! The height is 154cm, the width is 116cm and the depth is 51cm.
