Dimensions

Height = 30 cm (11.8")

Width = 25 cm (9.8")

Depth = 5 cm (2.0")

Description

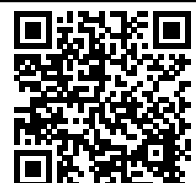

An awesome vintage emerald ring from the latter part of the 20th century, but heavily inspired by the jewellery designs of the Art Deco period. The Zambian emerald in the centre - certified as having received only negligible oiling - displays a rich, leafy green and (unusually for an emerald) is clean of inclusions to the naked eye. Eight diamonds (four each side) are arranged in geometric step-down shoulders, leading to a slender platinum shank. Accompanied by an emerald report from The Gem & Pearl Laboratory stating the emerald shows evidence of only negligible clarity enhancement, and is Zambian in origin. Cut: Emerald cut emerald and eight-cut diamonds. Colour: The diamonds are F to G. Clarity: The emerald is eye-clean. The diamonds are VS. Carat: The emerald is 2.40 carat, with approximately 0.12 carat of diamonds. Size: N (UK) or 6 1/2 (US). Free sizing available. Measurements: The emerald is 9.0 x 7.0mm and sits 6.8mm from the finger. Weight? 5.74 grams. Metal: Platinum. Tested with a Niton DXL Precious Metal Analyzer. Video: To view videos of this ring recorded in natural light, please either contact us or copy / paste the following link into your...
