Description

A beautiful pair of antique Swedish satin birch marble top bedside cabinets. They were recently imported from Sweden, they date from around the 1890-1910 period. The quality is superb, they are beautifully designed and are a useful size. The satin birch has gorgeous grain patterns and colour tones, contrasting nicely with the original cream marble tops. We have had them stripped and re-polished to a very high standard, they are in excellent condition. There is just some incredibly minor wear to the marble tops, with no chips or cracks. Width – 16.5 inches , 42 cm Depth – 15 inches , 38 cm Height – 29.5 inches , 75 cm
