Description

This cupboard is in good condition. We have professionally stripped and restored it ready to paint or wax. If you would like this waxed in a lovely antique brown bri wax please email or telephone for a quote. The cupboard would look well in an old or modern property in a kitchen for storage of kitchen items amongst similar antique pine furniture. The cupboard is in one piece and is very heavy so I will require a hand off the van with it into your hallway. The cupboard stands on square back legs and round turned front bun feet supporting the main section. There are two large doors with each door having one panel with a metal vent to the top. The doors stand on their original georgian pin hinges. There is a key to lock the door. The top has a standard graduated cornice. Behind the door there are shelves for storage and more shelves could be placed in if required. The height is 169cm, the width is 116cm and the depth is 46cm.
