Description

This dresser base is in good condition. We have professionally stripped and restored it ready to paint or wax. If you would like this waxed in a lovely antique brown bri wax please email or telephone for a quote. The dresser base would look well in an old or modern property in any unfitted kitchen amongst similar antique pine furniture. It would look great in the corner of a living room with a flat screen TV on etc. The dresser base stands on square back legs and round turned front bun feet supporting the main section. There are two doors with one panel with a moulding around the edge. There is a key to lock the door. Behind the door there is a shelf for storage. Above the doors there are two drawers with round turned wooden knobs and dovetail joints. To the sides there are fluted columns and carved corbels. Above the drawers there is a bread slide drawer which is a rare feature. The top is in good condition with a bull nosed edge. The height is 88cm, the width is 116cm and the depth is 62cm.
